MANO ARTIGIANA

Masterpieces by the famous Italian Artist **Dante Mortet**, who, with his handwork has been able to shape in gold a tangible memory of the greatest footballers of all time.

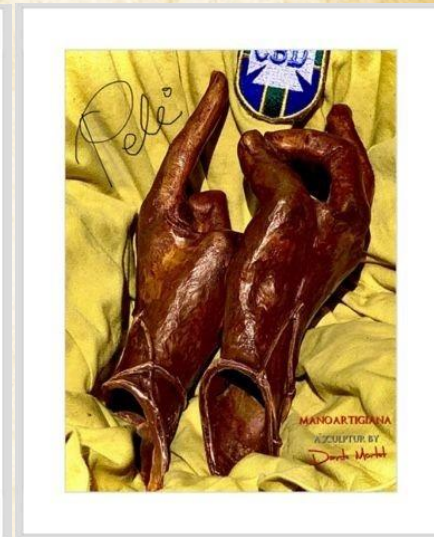

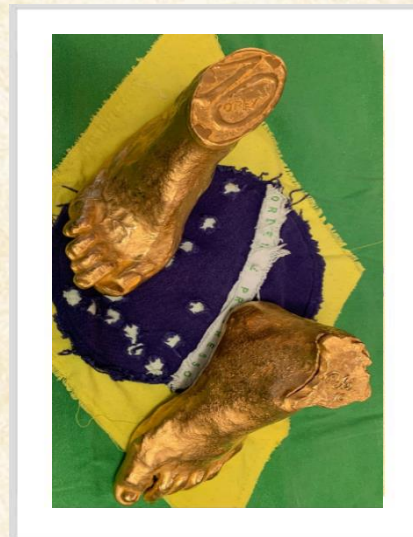

Dante Mortet at the “Bottega” in Rome, along with his family, has preceded artisan tradition for 5 generations, the knowledge of ancient techniques, transmitted through the centuries, thanks to the **Artisan Hands**.

Dear Mr. Lido Bari:

It is my great pleasure to inform you that, the World Organization for Peace, fully supports the projects they may come from Crazy Sports Organización, such as the "Sports Museum", in Beijing, as we are sure that sport can be used to inspire people to change their lives.

Our mission is to promote a permanent culture of peace, through all possible paths & we are sure that sports are a way to support & inspire children & people from all around the world, not by only inspiring them but to change perceptions & attitudes to completely change their lives, in a better way.

Please, receive my kindest regards & I am looking forward so that we can start building the necessary strategies for launching this fantastic projects.

Sincerely,

**Juan Samuel Delgado Cedillo**  
**President of the World Organization for Peace**
