**TO WHOM IT MAY CONCERN**

Object: Basic information for joint projects.

**Dear Sir,**

As per our conversation we have the pleasure to present you some "SportSport" projects and options, in order to evaluate a possible collaboration in the Sport Industry of your country:

**1. Academy for Football Youth Sector**

The purpose of this proposal is to develop Cubs Youth Sectors productivity and quality with international support of local coaches with our highly qualified personnel.

Our Technical Manuals and Methodologies have been tested successfully in many international projects and our FIFA and UEFA degreed Coaches have supported all the formation processes with high professionalism.

In the case that, besides SportSport Academy brand another Top Player brand should be required, we can offer some very big names like FRANCESCO TOTTI SCHOOL, RONALDINHO ACCADEMY, RUBEN SOSA SOCCER and many others.

**THE TECHNICAL STAFF**

**International Coaches**

- University FIFA PRO Uruguay Independiente: Tony GOMEZ
- FIFA B Argentina Banfield: Adrian CZORNOMAZ
- UEFA PRO Scotland Celtic: Steven PRESSLEY
- UEFA PRO Montenegro Dinamo: Radoslav BATAK
- UEFA A Italy Milan: Mauro ARDIZZONE
- UEFA A Portugal Banfield: Luis FILGUEIRA
- UEFA A Italy Milan: Davide CORTI
- UEFA B Spain Sevilla: Antonio LOPEZ

**CONCLUSIONI**

## 2. Summer/Winter Camps and International Tournaments

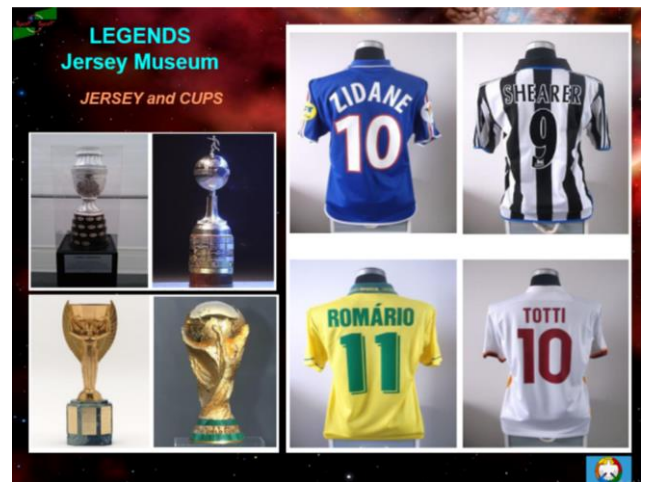

As a complement for the young players development in the Academy Project we organize Camps and Tournaments in most important EU Football Countries.

To participate in those important events is one of the best experiences, especially for those players that have the basic qualities to become professional players.

### 3. Legend Jerseys Museum

Our T-shirt Museum is one of the most complete and attractive selection of historical and original Legend's Jerseys. All the Most Famous Stars of Football in the world are present. The Museum is an itinerant event and it has visited more than 30 different countries in the last 15 years.

### 3.a Legends Sculptures Museum

Optionally we can add to our Museum some Masterpieces donated by the famous Gold Sculptor DANTE MORTET. He is a recognized artist from a historical family sited in Florence and with an art laboratory in Rome. Many VIP personalities have already participated in humanitarian projects donating the use of their image, only for special occasions or projects.

#### 4. Sport Products

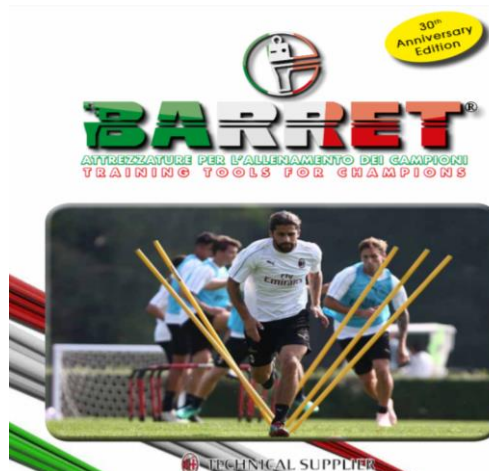

##### **Sportswear**

Sport Sport is an Italian distributor of Nike Team Sport products, we also are an international distributor of the famous Italian brand ERREA' which could bring the Italian fashion style into the sports environment.

##### **Pitch Technical Products**

We also distribute BARRET SPORT Training Products like barriers, hurdles, poles, nets, pitch markers and many other products; Most of them are technologically advanced unique solutions in the sport industry.

##### **Pressostatic Covers**

Our partnership with "Cage Football International" can offer our customers in EU, Middle East and South America a very interesting and new solution to install removable Pressostatic Football 5/8 Pitches.

These products can be completely managed by computers and in a remote way in its technical aspects: Temperature, Pressure, Humidity and now Air Sterilized against virus contaminations.

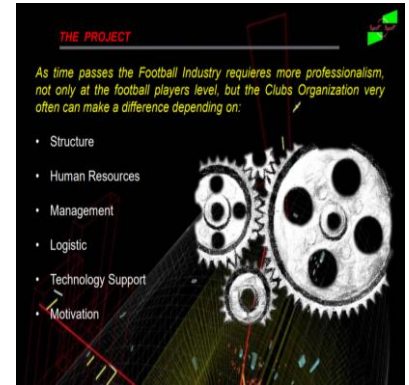

## 5. Sport Clubs Consulting

### Youth Sectors Management and Support

Sport Sport Technical Staff can also Help Clubs to verify their efficiency in developing young talents in the best possible environment.

Top young players (NOT YET PROFESSIONAL) can be selected and invited to train and possibly in big Clubs in EU.

Every project has to be evaluated depending on many factors like: age, nationality, skills, market requests..

## 6. P.H.O.S. Project

Mission of the project: To rescue the original values of Sports in their educational, formative and social aspects paying attention to peace and tolerance among young people in the world.

This project is based on a very dynamic Data Base completely managed by players themselves. In this way they will start to look after their own international football image and will be helped to be monitored and followed by Clubs and professional Agents. This Project is the best solution to give opportunity to everybody to start professional careers at an international level in a very simple way.

## 7. VET FRIENDLY MATCHES ORGANIZATION

This activity is very important to give our organization visibility in many football environments worldwide.

Our commitment with "World Organization for Peace" in helping organizing football matches for Humanitarian purposes, is recognized and appreciated everywhere.

Many Football Stars have participated in our events during the last 15 years.

In conclusion, we are very happy to start an evaluation together regarding the above activities and projects.
